Spartans Center:

Student Life provides an environment where leadership and self-pride thrive largely due to barrier-free communication. With encouragement, each student is guided to develop emotionally and spiritually to his or her fullest potential. Through a variety of recreational activities, students naturally acquire the essential social skills needed to integrate into the community.

All Elementary, Middle and High School students participate in various recreation and educational activities, events, and projects that take place during and after school throughout the year. These activities, which connect OSD students with the community and with students from other schools include the following but are not limited to:

- Community Involvement – Fundraising, Mid-Ohio Food Bank, Adopt-A-Grandparent (Columbus Colony Housing/Columbus Colony Elderly Care)
- Intramural Sports – Volleyball, Dodge Ball, Basketball and many different sports
- Junior NAD Meetings/Activities
- Class Meetings
- Open Homecoming Weekend Activities
- Trivia Contests
- Special Field Trips
- Theater-Style Move Nights
- Prom Weekend Activities

Transition Program (For Students Ages 14-22):

Student Life aims to meet each student’s IEP/transition goals toward increased independence and employability. Our transition program exposes our students to agencies, organizations, services, programs and resources that cater to the deaf and hard of hearing individuals’ needs. Our Youth Leaders work with students, individually or collectively in a group, on essential skills such as independent living skills, work skills, goal-setting skills and time management skills. The ultimate goal of providing transition education and training is to ensure that students will utilize learned skills and be prepared to venture into the real world independently and competitively.

High School Transition Electives Offered:
- Cooking
- Money Management
- Budgeting
- Laundry
- Riding the City Bus (COTA)
- Personal Safety
- Personal Hygiene/Personal Care
- Video Relay Service/Videophone Etiquette
Volunteer Opportunities:

We are always looking for AWESOME volunteers to tutor our K-12 students in various school subjects. If you are available after 3:30 pm, interested in improving your ASL skills and love working with children, then we need you! Please take a moment to review our volunteer guidelines and fill out an application.

A criminal background check will be needed for interested volunteers. Please go to www.osd.oh.gov student life-volunteer) or contact our Administrative Assistant, Terry Lineberry at lineberryT@osd.oh.gov for further questions about volunteering in the Student Life Department.
Student Life – Residential Program
Prescription and Over the Counter (OTC) Medications

Upon arrival to campus, all students, regardless of age, are required to give their prescription or OTC medications (including vitamins) to the nurse. If the parent is on campus when they drop off their child, they are to go to the school’s clinic and drop off their child’s meds. When not accompanying their child to school, the parent/guardian is responsible for informing their child’s youth leader via email or phone call, that their child is bringing medicine back to school on their transportation. This helps the youth leader to be on the lookout for the meds and give to the clinic on the same day.

Should you have any questions, please do not hesitate to contact the Student Life Office at 614.728.4049 or 614-678-5427. Your child’s well-being and safety are our priority.
Student Life – Residential Program  
Clothing & Personal Items Checklist

Our goal at OSD is to provide a safe and positive educational environment for our students. Therefore, we feel it is important that the students wear appropriate clothing for school and in the dorm. We, as the Student Life Department, reserve the right to ask students to change their clothing in the event it offends other students and staff members. We hope that you will support us in our efforts to ensure a safe and positive school year.

**Important Information:**

- Please mark your child’s name on all clothing and personal items.
- Laundry rooms are available for your child to do laundry. Parents are responsible to provide laundry products.

**Clothing/Items NOT Permitted:**

T-Shirts representing drugs, alcohol, gangs, tobacco, swearing, inappropriate language and/or pictures. Students’ are **NOT** to borrow each other’s clothing or personal items and gadgets.

Please review the dorm checklist of items needed for the dorm on the following page. Should you have any questions or comments, please do not hesitate to contact the Student Life Office at 614.728.4049 or 614-678-5427 VP.
Bed Bugs Prevention Plans

Our goals of maintaining bed bug free dormitories are as following:

Student Life Responsibilities:

- Put bags in hot box (above 120 degree kills the little critters) weekly on Sunday or Monday, whichever day the students arrive back to campus;
- Keep bags and luggage off beds;
- Take shoes off in foyer area of the dorm;
- Routine checks/inspections in living room and bedrooms by Youth Leaders and students;
- Bi-weekly washing of all linens, comforters and blankets at home.

Parents and Guardian can help by:

- Keeping their child’s bag in the garage, mud room or a designated room once they arrive home from school;
- Routine checks/inspections of bed bugs in the home especially after you had visitors staying the weekend;
- Shoes off in the foyer, mud room or garage;
- Have your child pack enough clothes for the week (5 days); this will truly help cut down the time and care needed for washing the clothes if infestation happened.

Visiting Team(s) and Special Visitors:

- Wash all linens, comforters (sleeping bag) and blankets at home before coming to OSD;
- Check/inspect personal bag or luggage prior to coming to OSD;
- Shoes off in the foyer area of the dormitory;
- Bag/luggage on floor or desk.

Our collaborative efforts will help prevent the occurrence of bed bugs. Thank you.
DAY STUDENT POLICY

One of the most enriching learning experiences often happens outside of the classroom. In order for students to maintain well-rounded lives, the Student Life Department strives to provide various enriching experiences through various extra-curricular activities and programs to both day and residential students.

Day students are more than welcome to participate in the Student Life program after school hours.

Please check the monthly Recreation Calendar posted in the dorms and our website for schedule of activities available. Please keep in mind that activities and outings scheduled for the first and last two weeks of school are reserved for residential students only. There are also some activities and outings throughout the year reserved for residential students; a star next to the activity and outing will be the indication of that.

The following policy for Day Students has been devised to promote fair and safe accessibility to the Student Life program.

In order to ensure the well-being and safety of the student, it is imperative for parents/legal guardians to make arrangements at least 48 hours in advance (via email or phone call) with the Youth Leader to have their child join the after-school program. Parents/legal guardians are also required to submit written permission to the school office the next day after they have contacted the Youth Leader, indicating specifically the date and time their child will be staying after school, as well as the time their child will be picked up and by whom. Parents/guardians are also required to sign their child out in the child’s dormitory when picking them up.

Sample of Permission Note:

My daughter, Jane Doe, is allowed to stay after-school on October 3rd. I will be picking up Jane at 7:30 p.m. Jane’s Youth Leader confirmed the visit. Sincerely, Linda Doe, Date:

Curfew:

Parents/legal guardians are required to pick up their child by the curfew time. There are some activities and outings that will run pass the curfew time. Parents/legal guardians will be informed ahead of time the estimate time of arrival back to campus to help them plan accordingly.

**Elementary Students:** 7:00 p.m. curfew, Monday-Thursday
**Middle School Students:** 8:00 p.m. curfew, Monday-Thursday
**High School Students:** 9:00 p.m. curfew, Monday-Wednesday

High School Day students are required to report to the dormitory to SIGN-IN immediately after school as well as upon returning to campus from town. They are also required to SIGN-OUT of the dorm when they are ready to go home.
DAY STUDENT POLICY (con’t)

It is the parents/legal guardians’ responsibility to inform transportation if their child is staying after school. Parents are expected to pick up their child according to the curfew time. Frequent tardiness will result in loss of privileges to stay after-school.

Overnight Campus Privileges

Day students who live more than 25 miles from OSD wishing to stay overnight for special events such as Prom, Homecoming, Alumni, PSA day, Special Holiday parties, etc., will need to have their parents/legal guardians (unless they are over the age of 18) contact the Youth Leader ONE WEEK in advance to obtain prior approval. Due to limited space in the dormitories, requests for staying overnight will be carefully scrutinized. Athletic day students who have early morning departures on out-of-state trips, or late arrivals from game will be given priority to staying overnight in the dormitories. Athletic day students do have the option of becoming a residential student for the duration their chosen sport if there is space available.

Parents are required to submit written permission to the school office the 48 hours after they have contacted the Youth Leader, indicating specifically the date(s) their child will be staying overnight in the dormitories. Parents will need to also inform transportation of the overnight stays.

Disciplinary Problems:

Day Students are expected to adhere to Student Life policies and dorm rules and expectations while participating in after-school activities. Failure to adhere to the Student Life policies, rules and expectations will result in restriction from participating in after-school programs and activities.
Weekend Visitation

Each year, students make arrangements to visit another student's home for the weekend. Parents/legal guardians must adhere to the following guidelines regarding weekend visitations:

- Parents are responsible to make sure that the home their child is visiting is safe.
- Parents of both students must submit a written and signed note indicating their permission in allowing their child to have weekend visitation at another student's home.
- Parents are responsible for securing transportation means and contacting the county transportation and obtaining permission for an additional student to ride the van or bus (not all transportation companies permit guests - please check with your child's county transportation policy on guests riding their bus/van).
- The permission note must include the following information:
  - the date and time
  - whose home the student will be visiting
  - the means of transportation from and to school
- Parents are responsible to contact the Student Health Services (SHS) to arrange medication for the weekend.
- Student Life Administrative Assistant must receive notes no later than 9:00 PM on Wednesdays.
- FAXED permission notes are acceptable (614-995-0047).
- Verbal consents over the phone or email may be accepted.
- Students 18 years or age, unless their parents have legal guardianship, are required to submit their own notes to the Student Life Administrative Assistant.
- Fraudulent permission notes may result in suspension from school and/or weekend visitations.
- Students who visit friends for the weekend are expected to return to school on Sunday/Holiday Monday prior to curfew or in the morning of the first school day. Upon arrival to campus on Sunday/Holiday Monday, students must remain in the dormitories.

**NOTE:** All weekend visitations plans are **FINAL**. Last minutes changes will not be accepted, as it would create unnecessary hardship on both parties and the students themselves.

**ADDITIONAL NOTE:** The Ohio School for the Deaf accepts NO responsibility or liability for any actions, consequences of, or situations related to student visitation that is not related to an
authorized and approved school activity. This included students visiting another student over the weekend. Parents/guardians are advised that OSD
