Good Behavior Earns Fun Trips!

By Shannon Taylor

The students of the Elementary Department are committed to showing good behavior through the

“Give Me 5” program. Students are expected to show 5 traits of good behavior in each class: Be Safe, Be Respectful, Be Responsible, Be There, Be Ready. For the last

three months of school, students who followed these rules earned points and the points earned them the opportunity to attend fun and educational trips.

The first trip, in March, was to COSI. Students learned about a variety of scientific topics including water, electricity, and space travel. In April, the department took advantage of the beautiful weather and took a trip to see the Columbus Clippers play an afternoon game. Finally, in May, we traveled to the Columbus Zoo to see the animals and learn

about habitats through a guided tour of the “Habitat Hollow” exhibit.

Next time you see our elementary students, ask them to “Give me five!”

traditional Goldilocks story called “Goldilocks vs. the Three Bears.” The story takes place in a courtroom where

Goldilocks vs. the Three Bears

By Shannon Taylor

OSD students and staff were treated to a home-grown theater group performance on May 31st, 2007.

As a part of the Comprehensive Arts Curriculum, elementary students are to learn about the aspects of performing arts including acting, directing, costume design and set design. To learn about these concepts, the elementary teachers and students produced and performed an adaptation of the

Goldilocks is being sued by the three bears for destruction of property. It is a humorous take on a well-known story.

It turned out to be an excellent performance! The students were responsible for either acting, set design, or costume design. Everyone worked very hard at their part, and it showed! There was a great turnout of supportive parents, family members, students and staff. We hope to make this an annual event in the Elementary Department!

OSD Italy Trip, 2007

By Shannon Taylor

OSD traveled to Italy on April 14, 2007, and returned home on April 27th. All of the students and staff who went on the trip will remember the experience for a lifetime. Students Amy Batchel, Max Cook, Scotty Dublin, Hannah Knisley, Kristy Miracle, Cedric Payne, Matt Purtell, Brian Roman Cameron Runyon, Terrell Thomas, and Ashley Wynn, along with chaperones Pam Estes, Jody Daulton, Jessica Gittings, Dawn Watts, Shannon Taylor, Perry Mott and Henry Cook, spent an amazing 14 days traveling and seeing the sights of

Italy.

The trip began in Padua where we visited Venice, Asiago, and the Olympic Theater. We had an authentic lunch in the mountains of Asiago and saw the amazing canals of Venice with their gondolas and bridges. At the Padua school, some of our best memories of the trip were spent meeting new friends and chatting in the dorms. Next, we traveled to Torino, where the 2006 Winter Olympics were held and stayed at the Olympic Village (which is now university dorms) for 3 days. We enjoyed the sights of Torino, their delicious gelato (ice cream) and a visit to the Egyptian museum. Finally, we traveled to Rome by way of Pisa. We stopped at the Leaning Tower for lunch and some shopping. We arrived in Rome and enjoyed a visit to the middle school, seeing the Colosseum, the Forum, the Spanish Steps and several other important historical sights. We also traveled to Assisi and saw many beautiful old churches, castles and towns. We left for home tired but very

happy that we had such a great experience.

No one will forget the hospitality, the fun, the friends, the pizza, the gelato, the coffee or the sights of Italy. The trip strengthened our relationship with our Sister School that is now in its 18th year and which will continue for many years to
